Wonders of Wood: Carvings & Turnings
AT THE ROCKMART CULTURAL ARTS CENTER

JULY 1 - AUGUST 26
Reception: Saturday, August 7, 2021 - 4-7 pm

Dear Friends of the Arts,

Summer sure has been busy with camps, classes, workshops, exhibits and performances at the Rockmart Cultural Arts Center and Rockmart Theatre.

We ended up with 7 Summer camps this summer!! Theatre Camp I: *Jungle Book, Kids*; Theatre Camp II: *The Wizard of Oz*; Little Hands, BIG Art for 4-6 year olds; Animation Camp for 10-15 year olds, Pottery I, Pottery II, and Under the Sea Art Camp for 2 age groups planned for July. We had so many on the waiting lists we had to add more camps. We had 2 camps in 2020, and 4 camps in 2019 so we have definitely grown. We have thoroughly enjoyed working with your children and grandchildren this summer. We appreciate all the help from our community to offer these programs.

We gave two scholarships this May to very deserving seniors at RHS: Isaac Gober and Gillian Vansciver. Congratulations and Best wishes as they go to college in the Fall. We also gave several camp scholarships.

In May we had a terrible flood in downtown Rockmart. We rallied to pump water, haul out ruined sets, equipment, etc. Our Rockmart Public Works crew as well as staff and volunteers have been working tirelessly and it is greatly appreciated. Even with all this going on, we still had performances and camps in the theatre.

There are many classes, workshops, events and exhibits for you to enjoy at the Arts Center. *Wonders of Wood Exhibit* is on view now at the gallery and *Ginger Lowry's Solo Exhibit* will open in September. We will be announcing more Theatre performances soon.

Our members and volunteers have increased this spring and we are seeing more visitors as our community reopens again. The City of Rockmart offers a great quality of life for our citizens. Thank you to our members and volunteers - You keep the Arts alive in RockmART!

Artfully yours, *Peggy Cline*

About Rene'

"Rene' is an award winning Georgia potter, winning at the North GA Fair and Art Shows. Her pottery is displayed and sold locally at Rockmart Cultural Arts Center Gift Shop and at the Treasure Hunt Antique Mall in Powder Springs.

She transforms clay from Gillsville, GA into unique works of art, each with their own personality and loves working on the wheel. She adds faces and characters to many of her special pieces.

Rene' is an avid crafter and enjoys many hands-on projects such as painting, jewelry making, crocheting and weaving cane chairs. She attends Narrowway Church in Dallas and shares a little of her Christian faith in each piece of pottery. See if you can find the fish symbol on her pottery.

Rene's greatest pleasure in life is spending time with family and friends. Husband, Wendell and 2 sons and 2 daughters in law, and 2 precious grandchildren. We enjoy traveling, listening to bluegrass, gospel music and loving the Lord!"

We were fortunate to have her teach one of our Pottery Camps this summer and she is great with the kids. She looks forward to working with your children this school year and teaching them the joys of pottery.

About Virginia

"Throughout my life, art has nourished my soul. I feel a strong connection with nature around me. Flora/Fauna best describes my organic subject matter in my art. I am inspired by the seasons and how nature reacts. I also incorporate everyday life as subject matter and media.

Kennesaw State University School of Art and Design is where I obtained a Bachelors of Fine Arts with a minor in Anthropology and a concentration in Printmaking Spring 2021. My degree consists of a solid formal foundation in drawing, figure drawing, 2 & 3D design, ceramics, jewelry and small metals, painting, printmaking, and sculpture. I have also gained skills in Adobe Photoshop, Illustrator, and InDesign. All complement my desire to create art. I have won numerous awards in competitions throughout my career."

Virginia lives with her family in Dallas and has taught art camps in Paulding and Cobb county for many years. She was featured in RCAC's *Mother/Daughter*

Landscapes in Oil Workshops *with Beverly Culver*

Saturday, August 28, 2021

“Rain and Sun”

I saw this field between Rockmart and Cartersville in the morning and knew I had to paint it! This is a quick interpretation of a quick rain shower on newly planted fields. The sun peaked through the clouds to shine on a far pasture.

Saturday, September 18, 2021

“Alpine Farms”

The “patchwork” of fields always catches my eyes and the drama of the rugged Dolomite mountains of Italy make for an inspiring scene that makes one want to explore the landscape. Imagine the stories there!

Saturday, October 16, 2021

“Summer at Cades Cove”

In the quiet of this Smoky Mountain landscape, you can let your imagination run... wild deer, bears, what the first settlers saw. Fun to paint!

Theatre Update

In May 2021, we had the following performances at the theatre: Rockmart High School's *Carousel* and *Bill Brooks' When Country Was Country* with *Rex Garner and Julie Bell*.

Theatre Camp I: *Jungle Book, Kids* was from June 2-11 with elementary students and two fun performances on June 11.

From June 14-25 we had Theatre Camp II: *The Wizard of Oz* Young Performer's Edition Presented by arrangement with Concord Theatricals on behalf of Tams-Whitmark LLC with middle and high school students with a sold out performance on June 25 and a highly attended performance on June 26.

Summer Theatre Camps were from 10 am - 3pm and we all worked very hard. We are so proud of all of these students, high school and college helpers, our director, Margaret Jacobs and her staff which included Rex Garner, Alli Streetman, Anna Snider, Brent Costin, LaRue Bowman, Olivia Couch, Hope Garrett, and Sydney Streetman. Thanks to the parents, grandparents and community for supporting these talented performers. Stay tuned for more information on upcoming shows.

Rockmart Theatre Basement Flood

On May 4, 2021, downtown Rockmart had a 100 -500 year flood. So many buildings had flood damage and our theatre basement was included.

Five feet of water flooded the basement and we lost so many props, furniture, tools, equipment, etc. as well as damage to our HVAC system,

sheetrock, and basement door. Our wonderful Public Works crew worked non-stop to pump water for days and then hauled out ruined items to take to the dump. As the items were removed, Margaret Jacobs decided which could be salvaged, then Rex Garner and Todd Maddox pressure washed and sanitized items, and Peggy Cline and Cathy Matthews cleaned and dried items. Once all was dried, we moved any salvageable items into the old gallery upstairs with the help of James Hill and RHS drama students. Serv Pro sanitized the basement and dried it out. The sheetrock has been replaced and a new HVAC system installed. Thanks to Todd Queen, Brent Edwards and Steve Turner for supervising the clean up and restoration.

Thank goodness the stage, theatre, and lobby were fine and the costumes were in the attic. Even with all the renovations going on in the basement, we still had *Carousel*, *When Country was Country*, *Theatre Camp I: Jungle Book Kids* and *Theatre Camp II: Wizard of Oz*.

The Show must go on! **Thanks everyone!!**
